Attn: National Green Tech Advocates and Potential Event Sponsors
RE: A High-Profile National Green Tech Summit and Awards Gala

Dear Friend,

During these trying times of global economic recovery and the global quest to design Green Technology, Green Jobs and Green Living, a new powerful "Green Light" now shines on the economic recovery horizon. This "Global Green Initiative" continues to grow and is driven by a unified sense of urgency, increased Global teamwork and Global comradely designed to repair earth, heal the environment, create new jobs, boost the economy and improve the overall human condition. We now invite all "Conscious Corporate Sponsors" aware of the importance of ramping up all efforts to increase the "Global Commitment to Green Living" to participate in our August 20, 2011 "Green Tech Summit & Awards Gala".

With the steadfast commitment of President Barack Obama, the U.S. Federal Government and its Green Initiative, the world is now witnessing the dramatic increase in Green Tech Exploration, Green New Jobs Creation and Global Economic and Environmental Repair. In the spirit of the expanding "Green Technology Initiative", Green Tech Ventures is proud to announce our plans to invite the world to showcase its Green Technology while honoring the "Green Light Bearers", Architects and Champions of the Green Movement.

You are cordially invited to participate in this "Akron, Ohio" "Green Tech Summit & Awards Gala" of which will discuss the "State of Our Green Nation" and feature well known Green Tech luminaries, Green/Clean Industry VIP's and accomplished Green Technology Inventors, Engineers, Politicians and Benefactors.

There will be four categories recognized each year to acknowledge exemplary contributions in environmental initiatives and outstanding achievements in the Green Tech Fields. Selected award recipients, to be announced, will be honored with the presentation of the: "Earth Guardian Awards", the "Inventor of the Year Award", the "Green Economic Visionary Award", and the "Green Jobs Creator of the Year Award."

Festivities will include a "Green Carpet" VIP Reception and Media Mix, Keynote Speakers and Gourmet Dinner with Live Jazz all culminating with the "Green Tech Honors" Awards Presentation and After Party. The official host hotel, participating venues, Official Event Honorees, Co-chairs and VIP Luminary confirmations will be announced in June 20th of 2011. All interested "Green Tech Summit & Awards Gala Sponsors", potential Steering Committee members and potential Media Partners interested in CO-developing this important and very exciting project, please contact myself "Don Thornton" at: 330-785-0163 and/or e-mail me at: GTVAwards@GreenTechVentures.us for details, news, affordable sponsorship packages and updates.

We now seek the generous support, input and participation of interested sponsors, Green Tech Advocates and benefactors in sponsoring the presentation of this exciting inaugural "Green Tech Summit & Awards Gala." Please review our attached sponsorship offer along with event related information for your consideration.

Sincerely,

Donald E. Thornton
Founder & CEO
